To Whom It May Concern,

I hereby recommend Marek Sagan as a candidate for employment. He was employed by Amaris Technologies s.r.o. as a Consultant since April 2018. He was responsible for developing several software projects for various clients from the public and banking sector.

Marek has proved himself to be a reliable and competent employee, both in C#/.NET and Java, which he specializes in. Has has very good communication skills and is capable of both working independently and on a team. Our clients have appreciated his creativity and flexibility while working on a project.

Marek would be a valuable asset for your company and has my highest recommendation.

He has decided to leave the company out of his free will, which we regret.

If you have any further questions with regard to his background or qualifications, please, do not hesitate to contact me.

Sincerely,

David Lacroix
